All paint is provided by Golden, but students need to bring:

- A pad of white drawing paper, 9"x 12" or 18" x 24" is fine.
- A brayer – Speedball makes a good inexpensive one. Soft rubber or acrylic is preferable.
- A small selection of brushes is advisable, though I will bring enough for everyone.
- A palette knife
- A small piece of plexiglass, about 8" x 10" - can be found at a hardware store or scraps from a framing shop
- A roll of freezer wrap for a palette
- Paper towels
- Plastic water containers
